**Subject: Alleged aid for hydropower in Røldal-Suldal
(complaint)**
- Forwarding of complaint

The EFTA Surveillance Authority has received a complaint that the Norwegian authorities are granting unlawful State aid to Hydro Energi AS and Lyse Produksjon AS, through their jointly owned company Lyse Kraft SA, by granting Lyse Kraft DA an unlimited concession free of reversion rights to the State for the hydroelectric power plant in Røldal-Suldal, following the transfer of the shares of RSK Holding AS to Lyse Kraft DA.

The Norwegian authorities are hereby invited to comment on the complaint **by 24 July 2026**. Please clearly indicate in your reply whether there are any business secrets contained in the information provided, and annex a non-confidential version if necessary.

Yours faithfully,

Vaido Poldoja
Deputy Director
Competition and State Aid Directorate
